On 05/13/16 at approximately 0851 hours dispatch aired a hang up at Cascade Behavior Health at 12844 Military RD S, in Tukwila. Shortly after the call updated with employees calling in requesting contact in the main lobby because two patients fighting and are now separated.

I arrived on scene and met with an employee that escorted me to the second floor west wing where the incident occurred. I spoke with one patient and other officers spoke with the other patient and witnesses.

I contacted [REDACTED] (DOB [REDACTED]) who was visibly bleeding from a cut from his bottom lip and lower mouth. [REDACTED] was using a towel to absorb some of the blood in his mouth. I spoke to him and he stated that he was talking to his girlfriend about a movie and was speaking loudly. [REDACTED] stated he did not think he was being loud but apparently he annoyed one of the other patients ([REDACTED] DOB [REDACTED]) and [REDACTED] did not back down when he was confronted.

[REDACTED] stated they both started arguing and was equally responsible for the argument but [REDACTED] pushed him and he did like that. [REDACTED] got upset and started yelling and then he said [REDACTED] punched him. [REDACTED] stated he then defended himself after being punch multiple times. [REDACTED] stated it only lasted a few moments.

I took pictures of [REDACTED]'s face, mouth, lip and hands.

[REDACTED] allowed me to take a recorded statement of the incident.

The pictures and audio will be put on the Tukwila Police Shared drive.

Officer Madriaga took a statement of the main aggressor [REDACTED].

Officer Gardner and Officer Lancaster spoke with witnesses about what they saw. The Officers will be providing follow up reports with the witness statements included.

I was unable to get a written medical release form from [REDACTED] because he was transported quickly to Valley Medical Center, for the cut on his lower lip.

I issued a criminal citation to [REDACTED] for Assault 4<sup>th</sup> degree R.C.W. 9A.36.041 citation number CR 68691. I obtained a current mailing address and told [REDACTED] how to respond to the citation when he receives it in the mail. He acknowledged and stated he will not do anything aggressive toward anyone at the facility again. I did not arrest [REDACTED] because he was a patient at Sound Behavioral Health and is currently undergoing mental evaluation by the medical facility.
